

Waterworks System Now In Operation In Didsbury

Thursday, November 30, 1950, will be a day that will go down in the history of the Town of Didsbury—the day when the water was turned into the mains and the putting into operation of the new water and sewer system. By Friday night nearly all the connections were turned on, and houses and business places ready for the water were enjoying the benefits of the modern water facilities.

The inauguration of Didsbury's water and sewer system took place without ceremony or fanfare, but with below zero weather again setting in on the weekend, there is no doubt the facilities were appreciated.

The water system seems to be properly constructed, with no apparent leakage showing up after the water was turned on. The new pump is performing satisfactorily and the well at the butte so far is providing ample water under continuous pumping. And the water is soft! Real soft water, with no unpleasant taste, which is going to be a saving to the housewife who has had to us washing powders, softeners and other detergents in the past. Soap sales should show a marked decrease in the months ahead.

WATER AND SEWER RATES

Now that the waterworks system is in operation those benefitting from the installation may want to know what the modern facilities will cost, and we quote from the By-Laws published in March, 1949:

Water Rates
For the first 2500 gallons, \$3.00 net, and \$1.25 for every 1000 gallons thereafter.

Monthly minimum charge, \$3.00 net.

Discount of 10% allowed on even half dollars.

Sewer Rates
Dwellings, per family \$ 2.00
Apartments, per unit 2.00
Stores and Offices 2.00
Hotels 50.00
Theatres 4.00
Restaurants 7.50
Garages 4.00
Schools 25.00

There will be a senior hockey game at the Didsbury Memorial Arena on Saturday, December 9, at 9 p.m., between Trochu and Didsbury.

WESTCOTT

There were seven tables of whist played at the card party held in the Westcott school last Wednesday evening and the winners were Mrs. Ethel Kinschuh and Mr. W. Weidner. Consolation prizes went to Mrs. Otto Folkman and Mr. Albert Schmiedmiller.

Another card party is being planned for December 13. Proceeds for the kiddies' Christmas treats. The first meeting of the new executive of the Westcott Community Club was held at the home of the secretary, Mrs. Herbert Goetjen, on Monday evening last with six of the seven members present. There was considerable business discussed at this meeting, the executive having purchased a new engine for lighting and for flooding the rink. Plans were made for the raising of funds to carry on, and an amateur program and box social is planned for the evening of January 12, at the Westcott school.

The rink will open for the season on Saturday, December 16, with free skating, and there will be a booth where refreshments can be purchased. In this connection the committee would like all the immediate families of the district to please donate pies, which will be sold with the coffee. Also please come and give your support to a really worthwhile effort in the community.

We are glad to hear that Doug Schmiedmiller is better after his bout with mumps.

Mr. Herman Roeder from East of Carstairs was a visitor at the Herbert Goetjen home on Saturday last.

Mr. Donald Reinhardt and his lady friend from Calgary spent Sunday with Don's folks here.

Mr. and Mrs. Jack Bagshaw of Elkton were visitors at the Clarence Rinehart home on Sunday evening last.

Mr. and Mrs. Henry Wilschusen were visitors at the Herbert Goetjen home on Tuesday evening last, thus celebrating their 13th wedding anniversary. Incidentally the Wilschusen's wedding reception was held at the home of Mr. and Mrs. Goetjen just nine years ago to the day.

Our thoughts are with those people having been flooded out in Calgary in this cold weather, thus ruining a lot of their many plans for the gay festive season just ahead. We indeed have much to be thankful for as we look at our neighbors around the world.

King of Nepal Replaced

HIS MAJESTY MAHARAJA DHIRAJA TIRBUVANA SHIRAM, King of Nepal (above) has been supplanted on the throne by his three-year-old grandson, the Nepalese Emperor in New Delhi, India, announced. A palace revolution in that Himalayan kingdom adjoining Tibet was implied. The king, who is 44 years old, sought refuge in the Indian embassy in his capital of Kathmandu. Sources close to the ministry said he was anxious to go to India because of internal difficulties arising from demands of his subjects for a democratic type of government to replace the present feudal system.

MELVIN NEWS

Come to the dance in the Melvin hall on Friday, December 8, and dance to the music of Reddecock's orchestra from Sunnyslope.

There will be a midnight frolic in the Melvin hall on New Year's Eve with music supplied by the Melody Five. Dancing will commence immediately after midnight, December 31.

About seventy guests enjoyed a delicious banquet in the Westcott church basement on Saturday evening, given by the Westcott Boy Scout and Cub groups and their parents.

Ken Morris was the guest speaker and everyone thoroughly enjoyed his account of his trip to England. Mr. J. Freeman spoke on behalf of the Didsbury Legion, the sponsors of Westcott Boy Scouts, and several of the Scouts received merit badges from their leader, Jack Robertson. The prizes for the sale of poppies had not arrived, so could not be presented.

Mr. Reg. Jamieson is spending a few days in Calgary visiting with relatives and friends.

George Long is spending a few days with Mr. and Mrs. Alfie Thompson.

Mr. and Mrs. Pete Schumaker and Walter McCulloch were business visitors in Calgary last Thursday.

Mr. and Mrs. Alfie Thompson and Beverly spent a short while on Sunday with the Spragg family.

Best wishes are extended to Otto Bittner who is on the sick list.

Congratulations are extended to Mr. and Mrs. Alfred Matson of Bluffton on the birth of a son. Mrs. Matson is the former Miss Hanna Neufeld.

Head of Family of 80, Celebrates 90th Birthday

FUNERAL SERVICES HELD WEDNESDAY FOR HENRY ROETH

Funeral services for Henry Paul Roeth, 78, who died in Didsbury on November 25, were conducted from the Evangelical Church, Didsbury, on Wednesday, November 29, at 2:00 p.m., with Rev. A. J. Grams officiating. Pallbearers were Mr. J. McCloy, Mr. S. Gilson, Mr. F. Kaufman, Mr. H. Morgan, Mr. J. Freeman and Mr. W. J. Scheidt.

Burial followed in the Didsbury cemetery with Orme Funeral Home of Oids in charge of arrangements.

Newton-Brumwell Nuptials at Sacramento

A quiet wedding took place in the Carmichael Community Church, Sacramento, Calif., when Elaine Marie Brumwell, only daughter of Mrs. Sidney Fox of Didsbury, Alberta, was united in marriage to Mr. Donald Gordon Newton, son of Mr. and Mrs. Charles Newton, Ferguson Falls, Minnesota. Rev. James C. Smith officiated.

The bride wore a beige suit with cocoa brown accessories and wore an old-fashioned corsage. Mrs. Harvey Leabo was the only attendant for the bride and she wore a grey suit with black accessories and corsage of pink carnations.

Mr. Harvey Leabo attended the groom.

A reception dinner followed at the Elmer El Ranch.

Following a honeymoon spent in Seattle and points in Alberta, Mr. and Mrs. Newton will reside at Sacramento, California.

South West Didsbury

Sunday visitors at the J. Edwards home were Mrs. Gore and Beverly Gore of Oids, and Mr. and Mrs. Alfie Siesatti of Bowden.

Mr. and Mrs. Carl Meyer and family, visited in Edmonton from Tuesday until Thursday with Mr. and Mrs. J. O'Brien and family, and at other points.

Mr. and Mrs. E. Dippel and family were Sunday dinner guests of Mr. and Mrs. Jay Tuglie and family.

Mr. J. Edwards and Ken Dickau were Calgary visitors Thursday. Mr. F. Befus and Mr. T. McNair motored to Calgary Saturday to attend the boxing match.

Final Wheat Payment Likely in February

There is a little or no possibility of a final payment on the five-year United Kingdom and Canada wheat agreement which concluded July 31 this year being made until sometime in January, the Hon. C. D. Howe, federal minister of Trade and Commerce said in Calgary last weekend.

The minister was in Calgary on a tour of the province and addressed two meetings on Monday, the Alberta Wheat Pool in the morning and the Farmers' Union of Alberta in the afternoon.

Regarding the anticipated final wheat payment on which the Farmers' Union of Alberta propose to pass a resolution during their convention, which opened Monday in the Palliser, Mr. Howe said he had hoped the payment might have been available before Christmas. However, "we haven't our final returns in and won't likely have them until January and it takes about a month further to get the payments out," he said.

Mr. Howe said he had no idea what the final payment would be.

WEST NOTES

Mr. and Mrs. J. Bagshaw visited with Mr. and Mrs. C. Rinehart of Westcott on Sunday evening.

Mr. and Mrs. W. B. Blythe and Mr. and Mrs. C. Wilson returned from a month's visit to Ontario.

Mr. and Mrs. Vic Snydermill spent Sunday with Mr. and Mrs. John Snydermill of Westcott.

Mr. D. Hoesegood is attending the F.U.A. convention in Calgary this week.

The Rugby hall board sponsored a whist drive at the home of Mr. and Mrs. O. Thompson on Monday evening. Six tables were played with honors going to Mrs. Sanderson and Mr. A. Vipond, and consolation to Mr. J. Bagshaw and Mr. C. Brown.

Mr. and Mrs. M. Royman are in the Oids hospital suffering from broken ribs, etc., resolved in a car accident on Thursday evening.

Head of a family that now includes more than 80 children, grandchildren and great grandchildren, Mrs. Leah R. Chamberlain of 520 11th Ave. N.E., Calgary, celebrated her 90th birthday Sunday, December 3, at a family birthday party.

A pioneer who first lived in Calgary in 1900, Mrs. Chamberlain came originally from Switzerland in 1874, settled at what was then Berlin, Ontario, (now Kitchener) and farmed at Didsbury for eight years after coming to Calgary at the turn of the century.

Oldest of a family of 14, the lively pioneer was a winner in the Alberta's "Twin Contest" held many years ago, at that time taking second prize in the class for the oldest living twins. There are five other sets of twins among her grandchildren.

At Sunday's party, six of her seven children were present—Mrs. W. White of Edmonton, Mrs. F. G. Nudd and Mrs. W. Larsen of Banff, Mrs. W. Orr of Calgary, Arthur Chamberlain of Didsbury, and C. W. Chamberlain, with whom she lives in Calgary. Another daughter, Mrs. James Dickson of Carmichael, California, was unable to attend.

In addition to her sons and daughters, Mrs. Chamberlain has 33 grandchildren and 41 great grandchildren. She keeps accurate count of them herself.

Widow of the late R. W. Chamberlain, veteran Calgary hardware man who died in 1934, the pioneer lady was also at home Monday afternoon at the home of her daughter, Mrs. Orr, 2122 5th St. W.—Calgary, Alberta.

C.G.I.T. AND TUXIS GROUPS HAVE ENJOYABLE PARTY

A panel discussion and party was held by the Senior C.G.I.T. and Tuxis groups in the basement of the United Church on Tuesday evening, November 21. The panel, led by June Klineck, discussed the topic "Meet the Girl." Members of the panel were Jack McFarquhar, Leona Blain, Allan Freeman, Marlene LeGrand, Carmelie Wootte, Anita Andrews and Bob Hipkin.

After a delightful lunch was served the two groups enjoyed a social evening.

Ken Papke Stars For Olds At Great Falls

When Sam Miller had his fast-skating Olds at Great Falls, Montana, on Saturday, December 2, Ken Papke of Didsbury guarded the nets for the Elks. Olds won the Saturday encounter 6-0 and the Sunday engagement 8-7.

The Saturday game was broadcast, and the announcer was loud in his praise of Ken. The Sunday edition of the Great Falls paper carried a fine action picture of Ken Papke making one of his spectacular saves.

The summary of the first game shows 29 shots on Olds against 27 on the Great Falls nets.

Curling Underway; Personnel of Rinks

Curling officially started for the season in Didsbury on Monday evening and the three sheets of ice will no doubt be in almost constant use from now until spring breaks. Turkey Shoot In Town Wednesday, Dec. 13

A monster turkey shoot is planned by the Didsbury Gun Club and the A. Sen. KOCB (11th AR) to be held on Wednesday afternoon, December 13, and arrangements are now being completed for the big event.

Starting at 1:30 in the afternoon shotgun and rifle shooting will take place for hams and turkeys near the McCoy farm, adjacent to town. Many local gun artists have signified their intention to take part in the competitions, and if the weather is not too cold a large crowd should be on hand for these events.

Also starting at 1:30 in the afternoon will be the bingo games and other novel events, with prizes of turkeys and hams for the winners. This will be held in the Lions' hall, Didsbury, and no matter what the weather is like, there should be a big crowd on hand to enjoy the events. It is planned to continue the activities in the Lions' Hall in the evening, so that everyone will have an opportunity to participate.

Plan now to take in the big turkey shoot and other novel events on Wednesday, December 13, and win your Christmas turkey and your New Year's ham. There will be fun for everyone and prizes for all winners.

Edmonton and Calgary Hockey Teams To Play At Arena Fri., Dec. 15

Friday, December 15th, will see two outstanding teams in action at the Didsbury Memorial Arena. The game to be played by the Edmonton Oil Kings and the Calgary Buffalos, is scheduled to start at 8:30 p.m., and reserve seat tickets are now on sale at Reiber Brothers office in Didsbury.

The hockey game will mark the official opening of the Didsbury Memorial Arena for the 1950-51 season, and at this game the draw for the Legion car will take place.

Under the joint sponsorship of the Didsbury Branch of the Canadian Legion, and the Didsbury Lions Club, the hockey game on December 15th promises to be an outstanding attraction, and you are urged to get your reserved seat tickets early. Phone in your reservations to Reiber Brothers if you cannot call in person.

Regular Meeting of Bancroft Buttercups

The meeting of the Bancroft Buttercups, held at the home of Viola Schmick, opened by singing "Winter Wonderland" and saying the Creed. The roll call was answered by 14 members bringing boxes of candy for the children in the Red Cross Hospital. The object was a stuffed toy for the Red Cross Hospital.

The Club is donating \$2.00 to each school in the district to help with their Christmas funds, and it is also sending \$2.00 to the T.B. Seal fund.

Shellcraft was again taken up, and each girl made a brooch or ear-rings.

The next meeting will be held at the McCulloch home on December 23rd.

Two boxer pups take a dim view of proceedings as they are placed in a low pressure chamber for treatment of canine diseases at Frankfurt, Germany. The chamber produces thin air like that found at high altitudes, with ultra-violet radiator in back regulating temperature and dampness. Such canine diseases as lung distemper, bronchitis, rheumatism and nervous distemper have been treated. The pups obviously aren't impressed favorably. At left they are placed in chamber and at right they appear weary after undergoing treatment.

New Manufacturing
Firms Establish Here

Nearly two hundred manufacturing firms of foreign origin, employing more than ten persons, have been established in Canada in the last five years, 147 having originated in the United States. Those from the United States now employ approximately 10,500 workers, those from Great Britain provide work for some 5,500 employees and firms originating in other countries have a pay roll of about 300 persons.

In addition to these 197 firms of foreign origin, a total of 531 manufacturing firms of Canadian origin, employing more than ten persons, have been established in this country since the end of hostilities in 1945, and provide employment for 24,700 people. The labour force of these 1,031 companies aggregates 41,000.

The new postwar firms have commenced the manufacture of items that were not in production in this country prior to 1945, and growing examples being jet aircraft, diesel locomotives, gas turbine engines, roller bearings, a variety of automobile parts, rock drill bits and new types of electronic equipment.

Crown Company For
Defence Construction

Effective immediately, the procurement of new construction projects required for the Department of National Defence will be carried out by a Crown Company to be known as Defence Construction Limited. Owing to the accelerated program of defence construction, currently estimated at \$100,000,000, it was felt desirable to charge a single crown agency with the special task of expediting the letting of contracts for defence construction projects and of supervising their completion. The services, facilities and construction personnel of Central Mortgage and Housing Corporation will be made available to Defence Construction Limited.

WEDDINGS

BALL—TOPPIN

On Saturday, November 25, at 2 o'clock, a pretty wedding was solemnized at Knox United Church in Calgary. Before an altar banked with yellow mums Rev. Rex Brown united in marriage Alice Mae, youngest daughter of Mrs. Nina Toppin of Didsbury, and William, second son of Mr. and Mrs. H. Ball, of Golden B.C.

The bride was given in marriage by her uncle, Walter Reiffenstein. Traditional white satin fashioned her wedding gown which was styled with rich embroidered embroidery at the neckline and on midriff panel. Her veil of illusion net cascaded from a halo headress of orange blossoms and she carried a shower bouquet of American Beauty sweetheart roses.

Attending the bride as bridesmaid was her sister, Marie Toppin. Her trousseau was of dainty green nylon and she wore a chapel veil and lace mittens in tone with her gown. She carried a colonial bouquet of variegated white and rust carnations.

The groom was attended by his brother, Edward Ball, and Ronald Toppin and Kenneth Ball were ushers.

The church organist supplied the wedding music.

Following the service a reception was held at the home of Mr. and Mrs. Walter Reiffenstein, 14st. N.W. The bride's table was beautifully decorated with carnations and was centred with a three tiered wedding cake. Allan Vipond proposed the toast to the bride, to which the groom responded.

After a wedding trip to the west coast the bridal couple will make their home in Golden, B.C.

For travelling the bride wore a grey gabardine suit with a green top coat and accessories.

Out of town guests included the groom's parents, Mr. and Mrs. H. Ball of Golden, and seven other relatives from British Columbia and Saskatchewan.

CLARIFIES TERMS OF
MARKETING ACT

The Hon. D. A. Ure, Minister of Agriculture, advised recently that there seems to be some misunderstanding regarding the terms of the Coarse Grain Marketing Control Act, that is, Chapter 25 of the 1949 Statutes of Alberta.

To clarify the position Mr. Ure explained that this Act prohibits the sale of coarse grain to any person other than the Canadian Wheat Board, but an exception is made to cover sales between producer and owners of live stock and poultry. Although the government has indicated its intention to enforce the provisions of the Coarse Grain Marketing Act, subsection (2) of Section 4 of the Act states that:

(a) A producer may sell or agree to sell coarse grain situated in the Province of Alberta for delivery to a producer or to an owner of live stock or poultry within the Province;

(b) A producer or an owner of live stock or poultry may purchase or agree to purchase coarse grain situated in the Province of Alberta either for delivery within the Province or for his own use.

This exception in the Act allows

a producer to sell coarse grain to another producer or to the owner of live stock or poultry within the Province.

TB STILL TOP-RANKING
PUBLIC ENEMY

Tuberculosis is still Public Enemy No. 1 as far as the youth of our country is concerned. Last year nearly 5,000 Canadians, the majority of them young people between the ages of 15 and 35 died of this disease. Help support a vigorous preventive program in our community by buying Christmas Seals.

Be Proud Of Your Business

Modern advertising is a necessity to hold and build business. Be proud of your business, of the goods you have to sell, of the services you have to offer in your particular line. Show the progressive spirit and the desire to serve by advertising. Do not hide your light under a bushel—proclaim far and wide who you are and what you have to sell and where your place of business is, for public memory is short, and advertising is a powerful aid to all types of businesses. Moreover, people as a general rule shop where they are invited.

WESTERDALE NEWS

(Last Week)
Mr. and Mrs. W. Wigley were Calgary shoppers last Thursday and Friday. Miss Mavis Wigley of Calgary accompanied her relatives on their return trip and spent the week-end with her cousin, Phyllis Jackson.

Bob Jackson and Dick Phil moved to Lacombe on Friday where they remained for the week-end.
A small crowd attended the bingo and auction sale Friday evening at the hall. However, the school children raised \$26.05 at their candy booth.

INNISFAIR CITIZENS TURN DOWN MILK BY-LAW

A heavy vote was polled here Monday when the citizens and burgesses turned out to vote on a by-law to permit the sale of pasteurized milk only within the town. This by-law was voted down with 156 ballots cast for the by-law and 229 against and 11 spoiled ballots.

Baptists carried the by-law authorizing the town to borrow \$70,000 for water and sewer extensions, the construction of a filtration and chlorination plant and hooking up the town water system to the C.P.R. pipe-line from the Red Deer River. There were 188 votes for the by-law and 20 against and 5 spoiled ballots.—Innisfair Province.

HOW A DONKEY BECAME AN "ASS"

Once upon a time a great Prophet addressed a herd of donkeys: "What would a donkey require for a 3-day journey?"

"Six bundles of hay and three bags of dates," they replied.
"That soundeth like a fair price, but I have for one of you a 3-day journey and I cannot give six bundles of hay and three bags of dates. Who will go for less?"

"Behold all stood forth. One would go for six bundles of hay and two bags of dates, another for three bundles of hay and one bag of dates. One, especially long-eared donkey agreed to go for one bundle of hay."

Spake the Prophet: "Thou art a disgrace to thy herd and an ass. Thou canst not live for three days on one bundle of hay, and much less undertake the journey and profit thereby."

"True," replied the ass, hanging his long ears in shame, "but I wanted to get the business."
And from that day this price cutters have been known as "asses."

VANISHING ROMANCE

In the relentless sweep of 20th-century progress, many of the things long cherished by youth have disappeared. They won't be back: so you can wave farewell, with a tear in your eye and a bolt on mem-

ory's door, to such mundane things as the slowly-vanishing train whistle, the wooden lath and the old-time butcher.

The train whistle for instance. What small boy hasn't stood in the autumn darkness, the crisp, chill smell of late fall around him and thrilled to the long-drawn out WHOO-WHOO-whoo-whoo of the fast freight high-balling through town? That was the voice of romance, of far places, of commerce fashioning a new land, of a future to be sampled and then eventually partaken of by any young listener.

Now we have, and will have more of, the squawk of diesel engine's horn for which the best that can be said is that it sounds like some mechanical giant honking, "I wanta go where the wild geese goes."

Or the lath? The way they build houses now, the lath as it used to be—a slender, rough-faced piece of wood about five feet long—is a thing of the past. What they now call lathing now goes on the house in great sheets. It means the home-seeker does his home quickly. Still, the old-fashioned laths used to wonderful wooden sword material. Tack on a cross piece for a hill, point the other end, and by golly, any small boy could be King Arthur in about ten minutes.

They say, too, the old-fashioned butcher is on the way out. He's the mustachioned, red-faced fellow in the long white, blood-covered apron who could carry half a beef

under each arm or carve a bullock faster than most people could spit a deck of cards.

Today's story is that there are too many other, clearer jobs around and young fellows don't fancy a butcher's seven years' apprenticeship. Anyway the mass-production chain store technique is doing away with much of the need for the counter-man butcher of the old school.

But if there are to be no butchers how is the small boy going to get those flat rib bones that used to make such wonderful clappers? On the other hand maybe he doesn't or won't care when he has Superman and Hopalong Cassidy.

CONTROLS OFF IN U.S.A.

United States farmers are getting the go-ahead sign on production from the government of that country.

Corn growers are urged to plant more corn next year than in 1950. The government wants greater hog production and more feed grains will be required.

Wheat farmers are urged to increase their plantings.
Cotton growers were told to go ahead and plant as much as they want.

Given normal weather conditions government farm experts predict that next year will bring in the greatest agricultural production in the history of the United States.

WEDDINGS

MACDONALD—HERBERT

The home of the bride's parents, Mr. and Mrs. W.H. Herbert of Westerdale, was the scene of a pretty wedding on Wednesday, November 1, at 3 p.m., when their youngest daughter, Shirley, became the bride of Mr. Stanley Hugh MacDonald, only son of Mrs. L. MacDonald of Ods.

Rev. W.H. Moss officiated. The rooms were tastefully decorated with pink and white streamers. White bells overhung a beautiful fern in front of the double windows where the bride and groom pledged their vows.

To the strains of the wedding music played by Mrs. Ralph Jackson, the bride entered the room on the arm of her father, who gave her in marriage. The bride was charming in a colonial style dress of heavy white satin, featuring a sweetheart neckline with lace insert and long lily pointed sleeves. A small peplum was gathered into a bustle effect at her back. Her long embroidered veil was caught to a coronet of seed pearls. She carried a lovely bouquet of red rosebuds.

Attending the bride as matron of honor was her oldest sister, Mrs. Owen Bunde of Calgary. She was attired in a rose satin gown with sweetheart neckline, softly gathered skirt and bolero with long lily pointed sleeves. Her waist length veil was held in place by a braided band to match her dress. She carried a bouquet of pink carnations.

Mr. Bill Bernard attended the groom as best man.

During the signing of the register, Mrs. Harold Rash sang "I Love You Truly."

The bride's mother wore a two piece grey checked suit with green collar and cuffs. Her corsage was of red roses. The groom's mother was attired in a wine silk dress and she had a corsage of red roses.

After the bride and groom had received congratulations and best wishes of the forty-one guests, everyone sat down to a delicious dinner served buffet style. Toasts were proposed by Rev. Moss and Mr. C.C. Sturgeon, to which the groom fittingly responded.

Besides the immediate families those who attended the wedding were: Mr. and Mrs. H. MacDonald of Innisfail, grandmother of the groom, Mr. and Mrs. Jack Hodgson, Didsbury, the latter also a grandmother of the groom, Mr. and Mrs. George Jackson, Mr. and Mrs. Bill Richards, Mr. and Mrs. George Richards, Mr. and Mrs. C.C. Sturgeon, Mr. and Mrs. E. St. Clair, Mr. and Mrs. Harold Rash, Miss Mary Watt, Mrs. William Morrie and Mr. Henry Christensen, all of Ods.

In the evening the many friends of the bridal couple joined them at the wedding dance at the Westerdale hall with the music supplied by Krebs' Orchestra. A purse of money was given the newlyweds for which they both thanked everyone.

The happy couple spent a short honeymoon in Calgary and have since taken up residence in Ods where they are both employed.

Our form of government does not guarantee happiness. It only makes possible the pursuit of it.

PREDICTS GREAT FUTURE

George Drew, leader of the Progressive Conservative party, says that he is convinced that Canada, with its 540,000 square miles of arable land, could feed 100 million people at the highest nutritional level and still have a wide margin for export trade. He added that it would be years before the Canadian population reached that size. He expects it to reach 40,000,000 within the next 50 years. At the end of this year, Canada's population should be 14,000,000.—Wheat Pool Budget.

Commies Ready For Underground War

Canadian Communists are ready to wage an underground war in Canada "on an hour's notice" in the event of war with Russia, ex-Communist Jerry McManus reveals in the current issue of Maclean's.

"This war, if it comes, will be fought by Canada's Communists on two major fronts," writes McManus. "It will be fought on the production lines, military and industrial. It will be fought with equal intensity from within the Canadian armed forces, where many party members are already in uniform, taking instructions from the party."

McManus, former secretary of the Canadian Seamen's Union and for almost 20 years a Communist, split with Canada's Reds four months ago over Communist policy in Korea. He writes that he had been given a role in "the next war's Communist underground."

"I was to be director of labor activities for Quebec—to hinder war production in any way possible—through sabotage, strikes or slowdowns."

Harry Binder, chief organizer of the Communist Party in Quebec, took him to a "hideaway"—near the village of Point Fortune about halfway between Montreal and Ottawa—which the party had selected for him in the event of a war involving Canada on one side and Russia on the other," writes McManus.

From there, he was to "help lead the carefully trained organization which already stands mobilized and ready to transform the Communist Party of Canada into an underground army making war against Canada on Canadian soil."

He agreed with Binder to use a "cover name" Fitzgerald, and when the Party sent him underground as its contact man with the party's upper command, the political bureau, which meets daily in Toronto.

McManus identifies members of political bureau as "Tim Buck, the underground army's generalissimo; Stanley Ryerson, No. 2 man to Tim Buck; William Kashon, Leslie Morris, Becky Bahay, J. B. Salesberg, Norman Penner, Charles Sims, Norman Freed, Stewart Smith and Doris Nelson."

"Stand-ins" have already been appointed for these leaders, McManus reveals, in case they may be "interned or have to leave the country."

D.V.A. Assistance To Rural War Veterans

If applications received by the Army Benevolent Fund can be taken as an indication, either veterans of World War I or living in rural areas are more prosperous than their fellows in the cities or they do not have as much knowledge of assistance from rural areas are not numerous may be a result of both factors but in a statement today made it quite clear that assistance from the fund is just as available to those in rural areas as to those located in the large centres of population.

Lt. General J. C. Murchie, Chairman of the Army Benevolent Fund thinks, perhaps the fact that applications from rural areas are not numerous may be a result of both factors but in a statement today made it quite clear that assistance from the fund is just as available to those in rural areas as to those located in the large centres of population.

"The Fund was built up largely of campaign profits and is available to all Army Veterans of World War I," General Murchie stated, "and we are most anxious that Army veterans in the rural areas take full advantage of the assistance which can be provided should they find themselves in circumstances where the Fund can help."

"When the Fund was instituted by Parliament in 1917 and the amount of roughly \$8,000,000 was set aside from World War I profits and other sources it was stated it was to be spent for the benefit of World War I Army Veterans and their dependents. This, of course, means those veterans living in the rural areas as well as those living in the city."

General Murchie made it clear, however, that the Board has a responsibility to administer the Fund in accordance with the Act of Parliament and only these cases can be helped which arise as the result of some unexpected contingency or unforeseen calamity. The usual cases of such difficulties are sickness, accident, death, fire, flood, windstorm, epidemic and temporarily dislocation of finances. The Fund cannot be used merely to provide a stop-gap and there must be evidence that a grant will assist in providing a permanent solution. There must also be evidence that the applicant is deserving of assistance and that his financial difficulties are not a result of circumstances over which he had control.

"We have adopted this policy," General Murchie stated, "because this fund represents a type insurance for Army veterans who encountered calamity and we have a responsibility to all Army veterans to ensure that is properly protected. The deserving Army veteran will be given every assistance possible although we must, of course, be satisfied that this assistance cannot be provided for some other source."

In order to make sure that rural veterans are aware of the provisions of the Fund, the Board is planning to send speakers to rural areas while assistance of Branches of Veterans Organizations and other Fund agents operating in rural communities will be enlisted.

Complete information can be secured from any branch of Veterans Organizations, District Offices of the Department of Veterans Affairs, Veterans Offices in the Unemployment Insurance Commission, Settlement Supervisors of the Veterans Land Act, Provincial Welfare Services and Welfare Bureaus.

Education -
The Key To
Progress

Your right to know is the door to a better economic, social and cultural life; and education is the key to that door.

It is the function of the Department of Education to keep abreast of modern trends in education, discarding impractical or outdated methods and ideas, in favor of standards and achievements to enable young people to take their place in society, confident in their own abilities and able through training to attain their goal.

Activities of the Department of Education include: development, operation or supervision of:

SCHOOL DIVISIONS: Large school divisions have been organized for efficiency of operation, to provide pupils with better facilities and to promote uniformity of opportunity for all. To each is appointed a superintendent to assist and advise trustees and teachers.

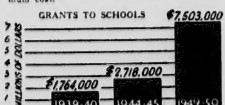

TEACHER TRAINING: Teachers are trained at the University of Alberta. A Board of Teacher Education and Certification advises the University and the Minister. Teacher qualifications have been substantially raised in recent years. To assist school boards in the establishment of a Teacher Retirement Fund substantial contributions are made amounting in 1949-50 to \$550,000.

AUDIO-VISUAL AIDS: This branch of the Department has built up a large library of sound films, silent films, filmstrips and slides available for classroom use, free. These cover a variety of topics in the Alberta School Curriculum. Circulation last school year exceeded 35,000 items, chiefly films.

CORRESPONDENCE SCHOOL BRANCH: This branch takes education to children in remote areas and those physically unable to attend regular schools. It also serves schools without teachers, and adults seeking self-improvement. Courses include full academic subjects, business law, bookkeeping and shorthand.

SPECIAL EDUCATIONAL SERVICES: Deaf and blind children are educated in special schools substantially free of charge. Special classrooms for children with defective vision, impaired hearing and other handicaps are generously supported. The Department also operates the Institute of Technology and Art in Calgary, the James' Aldea School, the Health and Recreation Program, and various projects under Canadian Vocational Training.

SCHOOL BOOK BRANCH: During the period of operation this branch has distributed over six million school books, either free or at a minimum cost.

AVERAGE SALARY OF TEACHERS EMPLOYED BY SCHOOL DIVISIONS: 1939-40: \$121; 1949-50: \$157.

COST OF PUBLIC SCHOOL EDUCATION PER CHILD: 1939-40: \$69; 1949-50: \$145.

College Education

worth \$100,000

Figures show that a college education is worth one hundred thousand dollars or more in increased earnings over an average lifetime.

By setting aside a few dollars a month now you can guarantee that your boy will have an equal chance with those who are assured of going to college... and that in later life he will have the advantage of the increased earnings afforded by a college education.

See me for details.

Mrs. Stewart Hall and Warren spent Thursday and Friday with Mr. and Mrs. Harold Shultz and family.

Mr. Art Coates was discharged from the hospital on Friday.

Mr. and Mrs. Duane Fobes and family and George Morasch spent Saturday evening with Mr. and Mrs. Stewart Tighe.

Mrs. Alfred Morasch and Carol spent Wednesday and Thursday at the J. C. McElulloch home.

Congratulations are in order for the newly weds, Mr. and Mrs. J. N. Cawsey (nee Florence McNeil) who were married recently in Calgary.

Mr. and Mrs. Conrad Wagner and Ernie had at their dinner guests Sunday Mr. and Mrs. Art Gebers and Gordon and the Bittner family.

Mrs. Ed Stiles is attending the P.A. convention in Calgary this week.

Mr. Will Snyder is an appendicitis patient in the Didsbury hospital and is progressing favorably.

Miss Doreen Pratt visited Sunday afternoon with Elaine Pratt.

Mr. and Mrs. David Pratt and family were Calgary visitors on Saturday.

M.V.B.C. NEWS

We are glad to be back with you this week. The reporter is again able to perform his duties.

This is exam. week for the first term. It doesn't seem possible that only two-thirds of the school year remains. There is so much to crowd into that time—pretty soon there will be Christmas programs, and they will be good—then home for vacation. Later on "Open House," A Cappella Choir Tour, and then all of the pre-announcement and commencement activities. Incidentally, we must try to work in a few lessons in English, History, Bible, Speech, Philosophy, Theology, Psychology and Greek. Oh, yes, and some lively piano, and innumerable a-a-h's and n-a-a-h's, etc., etc. in the vocal department.

To do all this work takes husky bodies, but we get lots of healthy exercise, and our lads and lassies are being well fed. They are getting a good supply of fine fresh eggs and other nourishing things. I mustn't tell you how many eggs Myron Tweed ate for breakfast on Sunday morning. Ask him, but we are happy. You may meet a few with rather worried expressions this week, but don't be unduly alarmed. They are not sick, they are just getting ready for examinations.

Mr. David Waldin, a brother of our instructor, Mr. Peter Waldin, was a weekend guest of Mr. G. Lyle Richardson at the College. David came to Canada in August with his brother Peter. He has been teaching school in Calgary, but will discontinue at Christmas time. Due to the death of their father, David plans to return to England to take care of the family interests.

There is sort of a "new look" drifting around the campus. For the first time in the history of M.V.B.C. there is a school sweater. It is white coat style woolen with purple and gold (College colors) bands on the left sleeve. The sweaters look smart and the folks like them. Berscht's Clothing Store filled the order for the same.

Neil Neufeld, Myron Tweed and Bill Cox, College Male Trio, moved to Bergen on Sunday evening to sing in the special revival meetings which Rev. M. L. Baker conducted in Rev. Peter Dyck's church. Messrs. John F. Wilson and Stanley Cox went along with the trio.

Messrs. Jack Archer and Donald Crosby were dinner guests at the home of Mr. and Mrs. Noah Swalm on Sunday evening. The dinner was served in honor of Elvern Swalm's birthday, which occurred December 4th. The faculty and students of M.V.B.C. join in wishing Elvern a happy coming year and many more.

This is a delayed item—it should have appeared last week.

Our four fine U.S.A. faculty members and the students who are from that country, celebrated their annual Thanksgiving on November 24 at the College dining room. The Canadian members of the faculty and Canadian students were their happy guests. The traditional turkey, cranberry sauce, sweet potatoes and pumpkin pie, and everything else, were deliciously in evidence. The dining room was appropriately and beautifully appointed under the direction of the artistic Mr. Richardson.

Mr. John F. Wilson was a perfect master of ceremonies and he engineered a delightful program through to a grand conclusion. Many humorous skits and anecdotes found their places on the evening's entertainment. The beautiful climax came in the lovely song, "Bless This House," sung by G. Lyle Richardson, and a brief, pointed, inspirational word on Thanksgiving by President J. T. Hoskins. He closed it with quoting the words of the great Apostle Paul, "Thanks be unto God for His unspeakable gift."

Many other items will just have to wait.

CREMONA NEWS

As in previous years all children of the Cremona and surrounding school districts will be special guests at the Cremona Theatre during the Christmas holidays. Teachers are requested to write "Curly's Shows", Cremona, for tickets. This should be done immediately.

Last week a return showing of the Cremona news reel was held at the Theatre, much to the satisfaction of those unable to see this film previously. Very favorable comment was made of the various pictures of road builders working west of Cremona, with the color very prominent. More films are to be taken in the future, as the local pictures are always interesting.

The Canasta Club met on Monday last at the home of Mrs. Adam Leinweber. First prize was won by Norma Boettger, and Mrs. Jack McGarrick was winner of the consolation. The hostess served a dainty lunch, bringing to a close a very enjoyable evening.

The Cremona Women's Institute sponsored a well attended bazaar in the community hall on Wednesday, November 29, with proceeds amounting to \$68.00. Besides a sale of home cooking and a parcel post table, tea was served during the entire afternoon.

The Cremona hall board has put a new masonite floor in the community hall.

Mr. and Mrs. P. Dick and family of Oyen, and Mr. Phillip Bosch of Bristol, Sask., were recent Sunday guests at the home of Mr. and Mrs. Bill Monk and family.

Mr. A. Whittle and Mrs. E. Berry of Valcutt, Sask., Mr. and Mrs. H. Gary of Keefer, Sask., and Mr. and Mrs. P. George of Kenaston, Sask., were visitors during the past week at the home of Mr. and Mrs. Hugh Pearce.

A large crowd attended the wedding dance of Mr. and Mrs. John Rys (nee Shirley Fritzel) in the community hall on Friday evening.

Mr. and Mrs. V. Reid and Mr. and Mrs. Wayne Foot attended the annual alumni dance at the Olds School of Agriculture.

Mr. and Mrs. Herb Fridles have moved to Calgary for the winter. Congratulations to Mr. and Mrs. John Foot on the birth of a baby boy.

ZELLA NEWS NOTES

Mrs. Tony Spooner and Dick were visitors to Calgary last Thursday by bus. An added feature of the west country is the bus service every day. The bus left from Rocky Mountain House, stopping at Sundre, Bergen, Elkton, Cremona, and on to Calgary, returning the same day.

Arthur Waldroff was a patient in the Didsbury hospital for two days last week, having some dental work done.

Master Bobby Waldroff is ill with a case of the mumps.

Due to the case of mumps the Christmas meeting of the Zella W.I. will be held at the home of Mrs. W.A. Spooner on December 14.

Mr. and Mrs. H. Christenson and family motored to Calgary Thursday. Mr. Christenson left by train for New York, from which point he will sail on the Swedish liner "Grypholm" on December 14 for Denmark. He plans to spend three months with his mother and sisters whom he hasn't seen since he emigrated as a youth.

(Last Week)

The pot luck supper and dance held in the school on Friday, November 24, was well attended and all present reported a good time.

Misses Jessie and Zella Bruns were weekend visitors at the home of their aunt, Mrs. Joe McGaffin.

Miss Delores Hayes is a patient in the Didsbury hospital with an infected ear.

Mr. and Mrs. Wayne Roberts were Didsbury visitors Saturday and Sunday.

The regular church services were held in the school on Sunday. The Sunday school, which was organized the previous Sunday, was well attended. The teachers are as follows: Mrs. Bob McGaffin, primary; Mrs. Alex Moore, juniors; Mrs. J. Howton, seniors; Mrs. J. Cooper, young people; and Mr. Cecil Moore, adults. Mr. J. Howton is secretary-treasurer. Mr. Robert Moore will conduct the choir, and Mrs. Rose Howton is pianist.

(This Week)

Mr. and Mrs. Ray Teynor and family visited with Mr. and Mrs. Money on Thursday and Friday.

Mr. and Mrs. J. Howton were Didsbury visitors on Friday and were unable to return home until Saturday due to Jean becoming suddenly ill.

Gordon McGaffin was coming home from school on Friday when he encountered a fleeing deer. His horse shied and bolted and Gordon found himself sitting in a snow drift. However, we are glad to report that he was uninjured.

Sunday school and church were well attended on Sunday in spite of the very bad weather. Rev. Ruby Moore conducted the service. The choir sang an anthem and Mrs. Bob McGaffin and Miss Marlene Adams sang a duet.
